100 PREAMBLE

The Anchorage School Board, hereinafter the "Board", recognizes the Anchorage Council of Education/American Federation of Teachers, Local 4425, represented by Alaska Public Employees Association/AFT, (AFL-CIO), hereinafter "ACE", as the exclusive collective bargaining agent for all employees below the level of director; in new positions created during the term of this Agreement with like or similar job functions and/or employees at the same organizational level; or in positions previously represented by ACE below the level of director. Positions previously represented by ACE shall not be assigned to another bargaining unit or to the Exempt employees group, without the approval of ACE. Disputes regarding bargaining unit composition shall be resolved by the Alaska Labor Relations Agency.

200 STATUS OF AGREEMENT

201 INTENT

This Agreement shall modify, replace or add to any policies, rules, regulations, procedures or practices of the District that shall be contrary to or inconsistent with its terms. Only Letters of ~~Understanding~~ Agreement and Memoranda of ~~Agreement~~ Understanding generated during the life of this Agreement shall have force and effect.

202 COMPLETE AGREEMENT

- A. The parties acknowledge that each has had the unlimited right and opportunity to make demands and proposals with respect to any matter deemed a proper subject for collective bargaining. The result of the exercise of that right and opportunity are set forth in this Agreement. This document contains the full and complete agreement on all bargainable issues between the parties hereto and for all whose benefit this Agreement is made and no party, except as otherwise expressly provided for in this Agreement, shall be required during the term of this Agreement to negotiate or bargain any issue.
- B. This Agreement constitutes the entire agreement between the parties; and no oral statement shall add to or supersede any of its provisions. Individual employees shall have no authority to add to, modify, or agree to supersede any provision found in this Agreement. Nothing in this section shall prevent either party from introducing new subjects for collective bargaining in future negotiations. The parties may elect, from time to time, to enter into agreements that supplement or clarify the terms and conditions of employment contained herein. Such agreements shall be in writing and be signed by both parties. A copy of any agreement shall be

distributed by the District to the Human Resources Department and all supervisors directly affected by the agreement.

203 SEPARABILITY AND SAVINGS

In the event that any provision of this Agreement is or shall at any time be determined to be contrary to law by a court or agency of competent jurisdiction, all other provisions of this Agreement shall continue in effect. Only the subject of the deleted provisions and the affected provisions shall be subject to further collective bargaining during the term of the Agreement with respect to the period covered by this Agreement. The parties hereto agree that negotiations for changes in the Agreement to conform with federal or state laws shall commence within 30 days of the date of the changes.

204 PRINTING AND DISTRIBUTION

accordance with School Board Policy the The District will indemnify the employee as per Article 703.

304 MEMBERSHIP PAYROLL DEDUCTIONS

A. Professional Service Fee

1. Employees who are not members of ACE will be required to pay an initiation fee and a monthly service fee which shall be no more than the standard uniform dues and fees for ACE members.
2. In accordance with AS 23.40.225 the District and the Union agree to safeguard the rights of non-association of employees having bona fide religious convictions based upon tenets or teaching of a church or religious body of which an employee is a member. Upon submission of proper proof of religious convictions to the Alaska Labor Relations Agency, the Agency shall declare the employee exempt from becoming a member of a labor organization or employee association. The employee shall pay an amount of money equivalent to regular union dues to the Union through payroll deduction by the District. Non-payment of this money subjects the employee to the same penalty as if it were non-payment of dues. The Union shall contribute an equivalent amount of money to a charity of its choice not affiliated with a religious, labor or employee organization. The Union shall submit proof of such contribution to the Labor Relations Agency, and the District.
3. Except as provided in Article 304.A.2, all employees shall, as a condition of continuing employment upon completion of the first full month of employment, authorize on a form provided by the District that the initiation fee and professional service fee be deducted from their regular paychecks.

B. Membership Dues

1. Employees who voluntarily join ACE and pay an initiation fee and membership dues shall not be required to pay the professional service fee described in Article 304.A.1.
2. Employees who desire to have ACE membership dues and initiation fee deducted from their regular pay and have those funds paid to ACE, shall execute a written authorization, on a form provided by the District. The District shall make the deductions each month.

C. Membership Payments

The District will make monthly payments to ACE for authorized initiation fee, professional service fees and membership dues. The union agrees to defend, indemnify, and hold the Board harmless against any liability and pay

all costs and attorney's fees which may arise by reason of any action taken by the Board in complying with the provisions of this article. The Board retains the exclusive right to select its own counsel and theories of defense. This indemnification shall not apply to any claim, demand, suit or other form of liability which may arise as a result of willful misconduct by the Board.

305 NON-DISCRIMINATION

ACE and the District agree to comply with all state and federal laws, rules or regulations prohibiting discrimination against any person with regard to employment because of race, color, religion, physical disability, sex, national origin, age, marital status, change in marital status, pregnancy or parenthood. This prohibition relates to hiring, placement, transfer, promotion, upgrading, recruitment, advertisement, layoff, termination and all other kinds of employment.

Employees have the right to use the District's internal discrimination complaint procedure to resolve any disputes that may arise from this section. This Article (305) is not subject to the grievance procedure.

400 GRIEVANCE

401 GRIEVANCE PROCEDURE PURPOSE

The purpose of this procedure is to provide a framework within which employees may work toward solving problems that assert violation of rights conferred by this Agreement. Parties to a disagreement shall initially attempt to resolve such problems at the lowest possible level through informal and free communication.

De-certification of a JROTC Instructor, for any reason, by the U.S. Department of Defense (DOD) is not subject to the following grievance procedures.

402 GRIEVANCE DEFINITIONS

- A. "Grievance" shall mean any allegation filed under the terms of this section that there has been a violation, misapplication, or misinterpretation of the terms and conditions of employment, as defined in this agreement.
- B. "Grievant" shall mean an employee/group of employees/their independent representative/ACE who initiates a complaint alleging that the employee or group of employees has been directly injured through a violation, misinterpretation, or misapplication of this Agreement. The term "grievant" also includes ACE with

respect to grievances growing out of an alleged violation of its organizational rights under this Agreement. Independent representation (as applied above) shall only be authorized if in writing by ACE.

- C. "Parties" shall mean the grievant(s), the District, and ACE.
- D. "File" shall mean the date sent by mail/faxed/or hand delivered.

403 GRIEVANCE PROCEDURE

- A. A grievance must be filed within 20 workdays of the occurrence or such time the grievant knew or should have known of the alleged act(s) or action(s) on which the grievance is based. The grievant must be present at Level 1 and may be present at all other steps. The grievant may be represented by ACE, APEA/AFT representatives, or by a representative authorized in writing by the ACE President. Any grievance settlement reached in the absence of involvement by a representative of ACE shall apply to that grievance only and shall not be a precedent. All such settlements must be immediately communicated to ACE, in writing.
- B. If time limit extensions become necessary, the extensions are to be kept to a minimum and must be mutually consented to in writing by ACE and the District prior to the expiration of the time limit.
- C. No reprisals shall be taken against an employee for processing a grievance or participating in the grievance procedure. On the other hand, participation in a grievance shall in no way absolve an employee from responsibility for performance or misconduct before or after the filing of a grievance.
- D. Grievances and materials created from the grievance process shall not be filed in official personnel files.
- E. A party to a grievance may call and present witnesses at any grievance level. Witnesses **who are members of the ACE bargaining group** shall be released from work as necessary without loss of pay or benefits if the hearing is scheduled during the workday of the witnesses. The District retains the right to avoid unusual costs or loss of productivity by scheduling hearings outside the regular workday.
- F. If both ACE and the District agree, a grievance may be heard by the Superintendent prior to arbitration.

404 GRIEVANCE LEVELS

- A. Level One (Departmental)

1. A grievant and/or ACE representative with a grievance may initiate the grievance procedure by filing a written statement of the grievance to the immediate supervisor with a copy sent to ACE. If the grievance is the result of a decision beyond the authority of the immediate supervisor, the grievance will be initiated at Level Two within the same time limits of Level One.
2. The immediate supervisor shall meet with the grievant and/or ACE representative within five workdays of receipt of a statement of a grievance. The immediate supervisor shall set the time of the meeting at a mutually convenient time. A minimum of one workday's notice shall be given ACE to provide a representative.
3. An ACE representative or any other person may, with the written authorization from ACE, accompany the grievant at the Level One meeting. The ACE representative or other person may speak on behalf of the grievant if requested to do so by the grievant or ACE.
4. The immediate supervisor shall render the decision in writing within five workdays of the Level One meeting to the grievant and ACE.

B. Level Two (Contract Administration)

1. If either ACE or the grievant is not satisfied with the disposition of the grievance at Level One, ACE may file the grievance in writing to the Contract Administration Department within five workdays of the Level One decision or due date of that decision. The Contract Administration Department shall immediately notify ACE as to the nature of the grievance.
2. Within five workdays of receipt of the written appeal, the Contract Administration Department shall meet with the grievant and/or representative(s) or any other persons in an effort to resolve the grievance.
3. The Contract Administration Department shall render a written decision within ten workdays of the Level Two meeting to the grievant and ACE.

C. Level Three (Arbitration)

1. If the grievance is not satisfactorily resolved at Level Two, ACE may file, within twenty workdays of the Level Two decision or due date of that decision, a request for arbitration with the Contract Administration Department.
2. The District and ACE shall mutually select the arbitrator within 10 workdays of the arbitration request by ACE. If agreement cannot be reached, the arbitrator shall be selected from lists of arbitrators supplied by the American Arbitration Association and/or the Federal Mediation and Conciliation

Service and/or the National Arbitration Association. ACE and the District shall alternately strike an equal number, not to exceed five, of names from the lists until an arbitrator is selected. The side to strike first shall be determined by the toss of a coin.

3. The arbitrator's function is to interpret and apply this Agreement and pass upon alleged violations thereof. The arbitrator shall have no power to add to, subtract from, or modify any terms of this Agreement nor shall have any authority to make any decision which requires the commission of an act prohibited by law, or which violates the terms of this Agreement.
4. All communications to or from the arbitrator must be shared equally and at the same time between ACE and the District.
5. The decision of the arbitrator shall be final and binding on the District, ACE, and the represented employee(s).
6. Costs of the arbitrator's services including expenses, if any, shall be borne by the losing party, or if the arbitrator determines that neither party is the losing party, then the arbitrator shall assign arbitrator's fees and expenses proportionally to the parties as judged equitable.

D. Default

The time limits set forth in this article are important. The failure of the supervisor or the Contract Administration Department to adhere to the time limits shall result in the grievance being automatically advanced to the next step. Time limits may, however, be extended at any time by mutual written agreement of the parties. Neither party will unreasonably refuse to grant a legitimate request for an extension of time.

500 WORKING CONDITIONS

501 POSITION DESCRIPTION

A. New employees shall be given a copy of the applicable PVA/Job Description. Current employees shall receive a copy of the applicable PVA/Job Description upon request to the Human Resources Department. A copy of the PVA/Job Description shall be placed in the employee's official personnel file. The District will review job descriptions periodically or when specifically requested by an affected employee. ~~Current job descriptions will be attached to the annual performance evaluation.~~

B. If clarification is needed, the employee may request a review meeting with the supervisor to outline the specific duties and responsibilities of the work assignment, including other related duties that may be assigned (duties associated within normal work scope as described in the job description).

502 PROBATION

A. The probationary period for new employees shall be six months or 120 workdays, whichever is longer.

503 VACANCIES AND PROMOTION

A. Unless otherwise mutually agreed, ACE position vacancies will be advertised internally with a posting, for ACE represented employees only, in all District facilities for not less than three workdays.

B. The District will make an effort to fill vacancies from within the bargaining unit. Qualified internal applicants who have submitted the required documents specifically outlined in the position vacancy announcement shall be considered, on merit principles, prior to acceptance of applications outside the bargaining unit, ~~and interviewed within 30 days of the final closing of the position vacancy announcement.~~

C. Vacancies not filled as a result of the internal posting will be filled in accordance with established District procedures regarding advertising, interviewing, and selection.

~~D. — Employees who are interviewed and not selected will be informed of the reasons for non-selection upon request to a Human Resources representative. Employees may confer with the representative about a suggested growth plan to enhance future promotional opportunities.~~

~~E~~ D. Employees on approved leave may designate a person to submit the required documents for consideration during the advertisement period.

~~F~~ E. Employees reclassified to a non-bargaining unit position shall not lose accrued ACE longevity established prior to such reclassification if returned to ACE within 12 months.

504 PROBATIONARY PERIOD FOLLOWING PROMOTION

Employees who are promoted to a position in a higher range shall serve a ~~three-month or sixty (60) workdays~~ **(90) workday** ~~(whichever is longer)~~ probationary period for the higher position. In the event that the employee does not perform satisfactorily in the higher

position, the employee shall be entitled to return to the former position held or, if filled, the first available position for which the employee is qualified. Unpaid leave for up to one year shall be granted to employees who do not complete their probationary period under this provision. Disputes over performance during these probationary periods are not grievable.

505 EVALUATION

A. An evaluation is an ongoing process of communication between the supervisor and the employee. This process should provide constructive dialogue and feed back about work performance; i.e., work place effectiveness and efficiencies, service and supervisor expectations. Annual written evaluations shall be for the purpose of establishing a record of the employee's work performance and provide an opportunity for improvement. The employee's work performance rating shall be based on duties and responsibilities as outlined in the job description/PVA and other normal performance expectations of all District employees.

B. Employees will be formally evaluated at least once per year. Less than 12-month employees' ~~written~~ **electronic** evaluation shall be completed **on or before June 1 of each work year.** ~~not less than 30 days prior to the end of the work year. When evaluations that include plans for improvement are submitted less than 30 days before the end of the work year, the duration of the plan must extend at least 90 days into the new work year, unless completed before that time.~~ The purpose of the evaluation is to provide candid and direct feedback to the employee regarding the degree to which performance expectations are being met. Performance evaluations are not grievable but any employee who disagrees with such judgments may prepare a written response to the evaluation, which will be attached to the evaluation and placed into the employee's personnel file. The employee shall be allowed five workdays to respond in writing to the evaluation. The evaluation ~~and/or plan for improvement~~ will be forwarded to ACE, upon request of the employee.

C. ACE shall be involved in the revision of employee evaluation forms.

D. Supervisors may indicate in the evaluation document that ~~professional support~~ **improvement** is needed. The employee is responsible to act upon the supervisor's concern. Without committing to special expenditures, the District will cooperate in reasonable remediation efforts for employees seeking ~~professional support~~ **improvement**. ~~Concerns at this level are not intended to be job threatening and are expressed for the purpose of promoting a productive educational environment.~~

E. **Plan for Improvement**

~~For those employees who have serious deficiencies in their performance, their supervisors may elect to place them on a Plan for Improvement at any time during~~

~~the work year, and the Plan should be included in their official personnel file. The affected employee shall be given five (5) workdays to prepare a written response to the improvement plan. The response will be appended to the Plan for Improvement. The Plan for Improvement shall contain at a minimum:~~

If the evaluation indicates that an employee does not meet standards, the evaluator will:

- ~~1. each specific area that the employee needs to improve;~~
- 2. outline the supervisor's evaluator's expectations for the employee to achieve success; and**
- 2. indicate a timeframe for improvement.**
- ~~3. the supervisor's timelines for subsequent consultations to provide feedback to the employee on progress; and~~
- ~~4. any suggested methods that an employee might employ to become proficient in job performance or to enhance skills where a weakness has been identified. The Contract Administration Department must be kept current as to the Plan for Improvement and any progress or lack of progress that the employee makes.~~

If significant and continuing performance concerns persist, the issue will be addressed through progressive discipline.

~~Plans for Improvement are serious documents that constitute a declaration that unless sufficient improvement in performance is observed within the plan period, loss of employment may result. Employees may request ACE representation.~~

506 PERSONNEL FILES

An employee shall have the right, upon request of an appointment, to review any or all materials originating subsequent to employment with the District and placed in the employee's official personnel file. The review must occur in the presence of a Human Resources representative. At the employee's request, an ACE representative may accompany the employee. The District shall maintain only one official personnel file for each employee. Upon an employee's written request to the Contract Administration Department, letters of warning and reprimand **will may** be removed from the official personnel file after three and one half years, provided that no similar subsequent entries have been made into that file, except in cases of serious misconduct, e.g. sexual impropriety, violence, insubordination, etc. This opportunity shall not be given in cases of suspension, termination, or disciplinary demotion.

The District shall provide an employee with a copy of any materials placed in the official personnel file, at the time of placement, which relate to work performance. An employee shall have the right to respond in writing to any material placed in such file; the response shall become part of the file. Anonymous derogatory materials shall not be placed in the official personnel file.

Unless otherwise mandated by law or court authority, the District shall not release information on past or present employees without the employee's written release, except the employee's hire and termination dates, job title(s) and work location(s).

~~B. Provide legal defense against any allegations, litigation or arbitration at no cost to the employee;~~

~~C. Extend the employee's protection to family members who may be litigated against or otherwise imperiled solely as a result of the performance of assigned duties by the employee.~~

704 WORKERS' COMPENSATION

A. In an effort to avoid Workers' Compensation claims, employees shall notify their immediate supervisor in writing of any unsafe working conditions. The supervisor shall then take appropriate actions to correct the problem, whenever possible.

B. The District will provide Workers' Compensation benefits in accordance with the Alaska Workers' Compensation Act for injuries or illnesses sustained in the course and scope of employment.

C. The employee on Workers' Compensation shall also continue to be paid full salary until each of the following are exhausted in the order desired by the employee: sick leave, non-work days, annual leave days, if any. This section shall be implemented at the sole option of the employee; however, once chosen, the order of utilization of sick leave, non-work days and annual leave days, if any, shall be final.

D. As long as an employee continues to draw regular salary under Article 704 C, benefits will continue as if the employee were actively at work.

E. After an employee exhausts all annual and sick leave and non-work days, the employee may apply for unpaid medical leave to protect the position.

F. Return rights for these employees shall take precedence over other employee unpaid leave provisions.

G. If an employee returns to work from unpaid leave within 90 calendar days from the last day worked, the employee shall return to the same facility and job title held before the unpaid leave. If an employee returns to work between 91 calendar

days and 180 calendar days from the last day worked, the employee shall return on a position available basis to a position for which qualified within the same ~~range and step~~ job title held before the unpaid leave. If an employee returns to work between 181 calendar days and one year from the last day worked, the employee shall return on a position available basis as near as possible to the same range and step of the job title held before the unpaid leave. If the employee is unable to return because a position is not available, the employee's leave shall be extended until a position for which the employee is qualified becomes available. Refusal to accept a position at the same or greater salary as previously received shall terminate the employee. The District and ACE may mutually agree to extend these deadlines.

H. If an employee fails to return to work from unpaid leave on the agreed upon date for any reason except emergency situations beyond the employee's control, the employee shall be considered as having voluntarily terminated.

I. An employee on Workers' Compensation shall not be subject to layoff; however, should layoffs occur in the employee's job title, the employee's rights to return to work shall be governed by the recall provisions.

705 HOLIDAYS

The following District holidays shall be observed by employees as non-paid days:

Independence Day	Day Before New Year's
Labor Day	New Year's Day
Thanksgiving Day	Martin Luther King Day
Day after Thanksgiving	Fur Rendezvous or President's Day
Day before Christmas	Memorial Day
Christmas Day	

When a recognized holiday falls on a Saturday, the preceding Friday shall be considered a District holiday. If the holiday falls on Sunday, the following Monday shall be considered a District holiday.

~~An employee who is in a pay status on the workdays immediately preceding and following a designated holiday and who is required to work on that day shall receive double pay.~~

706 EMPLOYEE ASSISTANCE PROGRAM

The District shall provide an Employee Assistance Program (EAP), available without charge to the employee and dependents. The District reserves the right to modify the program as it deems appropriate. The employee's use of the EAP shall remain confidential and not be disclosed to the District or ACE by the service provider without the employee's written consent. The decision to utilize the EAP cannot be used against the employee in evaluations, memoranda or any other record that refers to employee performance. Client lists shall not be available to the District or ACE from the service provider.

707 MILEAGE REIMBURSEMENT

Employees required by the Superintendent to use their private motor vehicles to conduct school business shall be reimbursed at the approved Internal Revenue Service rate, adjusted prospectively provided the request for reimbursement is submitted no later than five (5) work days following the close of the fiscal year. Employee liability insurance coverage will be primary and District coverage secondary in case of accident. In all cases, employees will incur the cost of damage to their own vehicles.

~~708 DISABILITY INSURANCE~~

~~Before November 30, 2006, three (3) representatives from the District and three (3) representatives from ACE shall meet to develop a proposal for an employee funded Disability Insurance program.~~

~~The District and ACE may reopen this Article after January 1, 2007 and prior to March 31, 2007, with 15 days written notice to the parties.~~

800 SALARY

801 SALARY CONDITIONS

A. Employees shall be paid on a salary basis. Employees shall receive annual written notification of salary, or hourly rate, as applicable.

B. Annual salary shall be calculated by multiplying the per diem times the number of workdays times the percentage of FTE worked.

~~C. Each year on July 1, employees shall move one step within their assigned range. An employee whose salary exceeds the range maximum shall be held at the current salary until the salary schedule exceeds current salary.~~

~~D. Service credit shall be earned at the following rates:~~

~~5 years through 9 years of service: 1.5% of annual salary~~

~~10 years through 19 years of service: 2.25% of annual salary~~

~~20 years through 29 years of service: 2.75% of annual salary~~

~~30 plus years of service: 3% of annual salary~~

~~Conditions: Service credit payments shall be earned on a calendar year based upon the employee's full years of service in ACE as of December 31, and as defined in Article 512. ACE employees who leave District employment on or before December 31 of a calendar year are ineligible for service credit payments for that calendar year.~~

~~Service credit payments shall apply to all wages earned by the employee. Service credit payments will be applied to a calendar year salary covering the total gross wages earned during the period from January through December of a given year. Annual service credit payments will normally be paid in January of the following year.~~

~~EC.~~ Employees returning to the same job title from an unpaid leave of more than half of the number of workdays in the work year shall retain the step held previous to the leave.

~~FD.~~ Employees who are recalled from layoff into a lower range shall be placed at the step of the lower range closest in dollars to, but not more than, the step held at layoff. Placement at the higher step in the lower range will continue only so long as the employee remains in that position. If the employee returns to a position in the range held before lay-off, the employee will return to the step held before lay-off, adjusted for any movement secured through bargaining. Any change of assignment between the lowest range held as a result of recall and the position held before lay-off will result in no change in compensation.

Employees who return from long term unpaid leave into a lower range shall be placed according to previous experience, as determined by the Human Resources Department, except as provided in Article 610 A.

~~G.~~ Employees who are re-classed to positions in higher ranges or accept a position in a higher range, shall receive a minimum 5% increase in salary. In no case shall the salary for an employee be less than the first step in the assigned range.

~~H.~~ At the employee's option, a portion of their salary may be deposited by payroll deduction in a credit union designated by the District.

~~I.~~ In transitioning employees into ACE from other employee groups, the District shall calculate a per diem amount for their current position by taking the employee's annual salary plus longevity multiplied by 1.025 and divided by the number of workdays in their non-ACE position. The employee will then be placed on the ACE salary schedule at the range and step of their new position nearest to that per diem.

~~JE.~~ Pay Practices for JROTC Instructors

1. JROTC Instructors shall be entitled to a salary for 200 days between July 1 and June 30 each year. JROTC Instructors are professional employees and are expected to perform all JROTC Instructor duties within the 200-day contract, with no addenda available for performance of JROTC-related duties past the 200 days. That amount of annual salary shall be equal to the minimum pay required under the District's agreement(s) with the Department of Defense (by appropriate branch), plus \$4000, or \$48,000, whichever is greater.

The annual salary for JROTC Instructors shall be projected each year, based upon the adjusted per diem for the final quarter of the prior year.

2. Increases in annual salary that are necessitated by changes in the minimum pay requirements shall be paid by contract addenda within forty-five (45) calendar days of receipt by the District of the monthly pay information sheet that reflects the change. The addenda issued shall reflect the value of the pay increase, calculated from the effective date through June 30. Should an Instructor resign from District employment prior to the end of the work year, the District reserves the right to retrieve any overpayment which may result from the issuance of any contract addenda.

3. JROTC salaries shall be paid in equal monthly payments, for twelve (12) months or for the number of months actually employed during a school year, as adjusted by the provisions of items (1) and (2), above.

802 WORKDAYS

Employees shall work the number of days as currently assigned or as established by the District for new positions, ~~and amended to this Agreement by Letter of Agreement.~~ **Unless otherwise specified in this Agreement, nothing in this Article shall be construed to prohibit the adjusting of an employee's work schedule or workdays during a pay period to meet the operational needs of the District. If this section is applied, the affected employee's work plan calendar should be adjusted accordingly.**

803 ~~OVERTIME/COMPENSATORY TIME~~ ELIGIBLE POSITIONS

A. Ranges 1 - 3 or Positions Marked with an Asterisk (*)

1. Employees who occupy position titles in Ranges 1 through 3 or are marked with an asterisk (*) in Article 806 shall receive overtime when work beyond eight hours in a day or 40 hours in a week is required. Overtime work shall be paid at the rate of one-and-one-half times the regular hourly rate. Overtime work performed on the seventh day of a scheduled workweek shall be paid at two times the regular hourly rate. Work in excess of twelve (12) hours in any continuous work period shall be paid at two times the hourly rate.

2. Through mutual agreement, employees eligible for overtime may elect to receive compensatory time instead. Compensatory time will be computed in the same manner as overtime. Compensatory time off can be accrued up to 240 hours (not more than 160 hours of actual hours worked). This time must be used by the end of the fiscal year in which it is earned. In lieu of this, the employees' supervisor must report any unused amount that remains on the books to the Accounting Department. In the event the time is not reported to the Accounting Department, the employee will not forfeit any compensatory time. All compensatory time accrued in one fiscal year shall be used within the following fiscal year.

3. No work beyond the specified shift will be performed without prior written supervisor approval. Employees who willfully cause the District to incur overtime obligations, without obtaining proper supervisory approval, shall be subject to disciplinary action.

4. An employee who is notified prior to the end of the regular shift to report early to the next shift, will be paid time and one-half for actual hours worked prior to the start of the regular shift. An employee notified at home to report back to work or prior to starting the next regular shift, will receive compensation at one and one-half times the regular rate of pay for actual hours worked, with a minimum of four hours overtime.

5. Employees in overtime eligible positions must turn in leave slips for all absences from work

~~B. Unless otherwise specified in this Agreement, nothing in this Article shall be construed to prohibit the adjusting of an employee's work schedule or workdays during a pay period to meet the operational needs of the District. If this section is applied, the affected employee's work plan calendar should be adjusted accordingly. *Moved to 802*~~

~~C. Employees may, at any time, request an additional review of their positions, if they believe their positions to be overtime eligible. Additional reviews shall be conducted by an outside consultant, agreed upon by the District and ACE. Any disputes regarding eligibility for overtime shall be determined in accordance with the Fair Labor Standards Act. *Moved to 804*~~

804 OVERTIME INELIGIBLE POSITIONS

~~**DA.** Normal workweeks for ACE overtime ineligible positions typically require a minimum of 40 hours, and individuals in these positions are expected to be available during the normal workday to meet the needs of the District. Employees in these overtime ineligible positions are expected to take responsibility for their own schedules and can, on occasion, take time off from work in order to meet personal needs. This time off from work must be approved in advance by the supervisor and must not conflict with District operations. ~~In these situations a leave slip is not required for absences of less than four (4) hours.~~ **Leave will be granted in one-half day increments.**~~

B. Employees may, at any time, request an additional review of their positions, if they believe their positions to be overtime eligible. Additional reviews shall be conducted by an outside consultant, agreed upon by the District and ACE. Any disputes regarding eligibility for overtime shall be determined in accordance with the Fair Labor Standards Act.

8045 ADDED DAYS

When the supervisor extends the employee's normal work year, the added days shall be paid at 1.50 times the employee's per diem rate, ~~unless prior arrangements are made, and mutually agreed to.~~ The employee will not suffer any penalty or discrimination for non-agreement.

8056 SPECIAL PROJECTS

- A. Special project agreements may be written for amounts not necessarily related to regular pay rates. Acceptance of such agreements shall be at the employee's option, without recrimination for refusal to accept. These time-specific projects shall be paid by addendum and based on organizational need, project complexity, estimated length of time required to complete project, and qualifying skill factors.
- B. Addenda in excess of \$2,000 per project shall be negotiated with ACE and agreed to by Letter of Agreement. ACE will respond to any special projects request in a timely manner. This does not apply to ACE employees who voluntarily elect to coach, perform coaching duties, ~~or~~ act as gym managers, work the KCC third session, or work summer school outside of their normal work. The District is not required to have a signed agreement for ~~coaching or gym manager addenda~~ the activities listed above. The members shall be paid in the amount as set by ~~the~~ standard District practices.
- C. Safety-Security Specialists who accept special project assignments outside of a scheduled shift shall be paid \$100.00 per high school dance and \$70.00 per District sponsored activity.

8067 CLASSIFICATION PLAN

- A. The District shall maintain a classification system, based upon the principle of like pay for like work. The following criteria shall be used to determine the appropriate classification, to include but not limited to: Education, Knowledge or Know-How; Accountability or Systemic Impact; Problem Solving; Supervisory Authority; Market Factors; and Internal Equity.

Employees may request a review of classification of their positions in accordance with District procedures.

Appendix I

Article I TESTING OBJECTIVES

Section 1. A drug is defined as any substance which may impair mental or motor function, including but not limited to, illegal drugs, controlled substances, designer drugs, synthetic drugs and look-alike drugs.

Section 2. The use of drugs, which are lawfully obtained and properly used, shall be permitted provided their use does not interfere with the individuals proper and safe work performance.

Section 3. The District will provide training of no less than (1) one hour duration by an entity agreed to by ACE of its supervisors in recognizing the signs and symptoms of drug abuse and an additional one (1) hour training in recognizing the signs and symptoms of alcohol abuse.

Article II PROBABLE SUSPICION, POST-ACCIDENT, AND RANDOM TESTING

Section 1. Probable suspicion means suspicion based on specific personal observations that a District representative can describe the appearance, behavior, speech, and breath odor of the employee. Probable suspicion must be documented at or near the time of observation on the Impaired Behavior Report Form, attached to this Policy. Observation shall be by two (2) supervisors trained in the detection of probable drug use and alcohol misuse by observing behavior. If observation by two (2) supervisors is unfeasible, observation shall be by two (2) individuals, one of whom must be a supervisor trained in the detection of probable drug use and alcohol misuse by observing behavior. Being in an accident does not, in and of itself, constitute cause for testing. Being in an accident may be considered, along with the circumstances of the accident and the supervisor's personal observations of the employee's appearance, behavior, speech, and breath odor, to establish probable suspicion. Probable suspicion will subject the affected employee to testing as outlined in this policy.

Section 2. Employees will be subject to post-accident testing without a finding of probable suspicion only if the employee is involved in an accident as defined in Section 390.5 of the Federal Motor Carrier Safety Regulations and has received a citation for a moving traffic violation in connection with the reportable accident. Urine samples for post-accident drug testing must be obtained within thirty-two (32) hours of the accident. Breath samples must be obtained within eight (8) hours of the accident. An employee who is directed to undergo a post-accident test for drugs and/or alcohol must report for testing as soon as

possible after the accident. NOTE: Employees are forbidden to drink alcohol within eight (8) hours after an accident unless they have already submitted to post-accident testing for the accident, or the District has determined they were not at fault. Employees having a positive test result due to post-accident testing for drugs or alcohol, either with or without probable suspicion, will be terminated.

Section 3. Employees will be subjected to random drug and alcohol testing only to the extent required by applicable federal regulations. Pursuant to current regulations, the District will randomly drug test its employees who are performing functions with a Commercial Drivers License (CDL drivers) as required at an annual rate sufficient to equal 50% of its total number of CDL drivers. The District may choose any reasonable method of randomly selecting employees to be tested, but must retain records regarding the method used and employees selected and must provide that information to ACE upon request. Pursuant to current regulations, the District will conduct random alcohol testing at any annual rate sufficient to equal 25% of its total number of CDL drivers.

Section 4. An employee consenting to drug testing will be transported to the hospital or laboratory by the District, or at District expense. If alcohol testing on other than a random basis is conducted away from the employee's work site, the employee consenting to alcohol testing will be transported by the District, or at District expense, to the location of such testing. After a non-random test is completed, the employee will be transported by the District, or at District expense, to his/her residence, or if appropriate, back to the workplace.

An employee subjected to random testing shall be paid for all time required for travel to and from testing, and for time at the testing location, regardless of the outcome of the test.

Section 5. If the test results are negative, the employee will immediately be reinstated in his /her previous position with full back pay for any time lost for transportation to testing and awaiting test results, based on the employees regular work schedule, and no further action will be taken.

Section 6. Should the result be negative for drugs, but positive for alcohol at a level of at least .02, but less than .04, the employee shall be held out of driving for twenty-four (24) hours beginning from the time the test was requested, and shall be required to test at or below the .02 level before returning to duty. The employee shall be assigned to non-driving duties, if possible, during that twenty-four (24) hour period. An employee who has tested at or above the .02 level in a second occasion, shall be subject to the same treatment as an employee testing at or above the .04 level.

Section 7. Should the test results be positive for drugs or positive for alcohol at or above the .04 level, the employee shall **not** be permitted to return to work until the employee has been evaluated by a Substance Abuse Professional (SAP), approved by ACE and the District. If the SAP recommends treatment that prevents the employee from working, or requires that the employee be held out of service while the treatment is pursued, the employee will be placed on medical leave without pay, except sick leave, vacation, and disability, if available, until the SAP authorizes the employee's return to work. Subsequent reinstatement will be without loss of seniority. Any employee testing positive will be permitted to return to work only if the employee has signed the Agreement for Continuation of Employment, a copy which is attached to this policy.

The District shall be required to apply the rehabilitation provisions of this Agreement to an employee on only one occasion. Positive drug or alcohol tests thereafter may result in immediate termination.

Section 8. Under no circumstances will the District or ACE be informed beyond a negative or positive outcome of any drug or alcohol testing conducted, unless a grievance is filed. In which case, all relevant information regarding the test results, testing methods and chain of custody will be provided to both ACE and the District upon receipt of a release by the employee. If the employee requests the presence of an ACE representative at the time of alcohol breath testing, ACE shall be entitled to observe the testing procedure and observe the result displayed on the breath testing device.

Section 9. Any employee with an alcohol and/or drug dependency problem who identifies themselves prior to a positive substance test, shall be permitted, and is encouraged, to take leave of absence for the purpose of undergoing an approved program for treatment of a dependency problem. The leave of absence must be requested in writing from ~~the Director of Transportation~~ **the District.**

Leave of absence under this section shall be granted on a one-time basis and shall be for a maximum of thirty (30) days unless extended by mutual agreement of the District, the employee and ACE. The District shall notify ACE of any leaves of absence applied for under this provision.

Article III CONSENT PROCEDURES

Section 1. The District shall inform the employee that he/she is subject to testing and will state whether the testing is probable suspicion, post-accident, or random testing.

Section 2. If the testing is for probable suspicion, the District shall give the employee a copy of the Impaired Behavior Report prepared pursuant to Article II, Section 1. Both of the observing witnesses shall complete an Impaired Behavior Report form. An ACE representative shall not be required to complete the form. In completing the Impaired Behavior Report form, the witnesses shall be as accurate and detailed as possible recording their observations of the employee's behavior which lead to their decision to require a test. The District shall explain that because of the observation of the employee's behavior, it is necessary to verify the employee's physical capability at that point in time.

Section 3. In each and every case the District shall read the applicable Drug Screen Consent form and/or Breath Alcohol Testing Consent form to the employee prior to obtaining the employee's signature authorizing the test and release of positive or negative test results. No changes are to be made on the Consent forms.

If the employee refuses to take the test promptly or sign the requested Consent form the District shall:

1. Make it clear to the employee that the request to sign the form and take the test is a direct order.
2. Ask the employee if he/she understands the order. If the employee responds that he/she does not understand the order, the supervisor shall explain the order again.
3. Explain to the employee that failure to comply with the order will result in the employee being treated as having tested positive for the substance or substances for which testing was requested, and will subject the employee to being taken out of service and subjected to employee evaluation pursuant to Article II, Section 7.

Section 4. The District shall use best efforts to immediately notify ACE if the employee requests the presence of an ACE representative at the time of the urine collection or breath testing, or at the time of the request for testing. Urine collection and breath testing shall be delayed no more than one (1) hour from the time of the first request in order to permit an ACE representative to reach the location.

Article IV TESTING PROCEDURES

Section 1. Both drug and alcohol testing will be exclusively by the procedures proved in 48 CFR, Part 40

Section 2. For drug testing, the specimen collection facility testing laboratory shall follow the split sample procedure in 49 CFR 40.25(f) (10) (ii).

Section 3. The District shall utilize a Medical Review Officer (MRO) as required by the DOT procedures. The District shall, upon request, provide ACE with the identity of the MRO, and with evidence of the MRO's training in substance abuse diagnosis and treatment.

Section 4. In the event of a positive drug test result, the MRO shall notify the employee of the employee's rights to have the MRO direct a retest of the split specimen at another DHHS certified laboratory. If such second test does not confirm the presence of the drug metabolites found in the primary specimen, the MRO shall cancel the test, as required by 49 CFR 40.33(f).

Section 5. Testing not performed in compliance with this Policy and with applicable DOT/FHWA regulations shall not constitute a valid basis for discipline. An employee shall have the right to use the grievance/arbitration procedure to challenge any aspect of the testing procedures.

Section 6. Any employee who successfully challenges a positive test result shall be reimbursed for reasonable costs associated with challenging the test.

AGREEMENT FOR CONTINUATION OF EMPLOYMENT

This Agreement is entered into by and between the Anchorage School District (District), Anchorage Council of Education/AFT Local 4425 represented by Alaska Public Employees Association (ACE) and _____ (Employee). The District is committed to providing channels of assistance for employees seeking rehabilitation. However, the Employee seeking rehabilitation must be committed in their efforts to remain drug and/or alcohol free. Therefore, as part of the Employee's commitment to remain free of drug and/or alcohol use it is understood that the Employee's continuation of employment by the District is based upon and constrained by the following terms:

1. The Employee must submit to evaluation of potential drug or alcohol problems by a recognized and certified Substance Abuse Professional (SAP) selected from the attached list or agreed to by ACE and the District. This evaluation should be completed within one week from the date of this document.
2. The Employee must agree to participate in all rehabilitation treatment recommended by the SAP.
3. The Employee must authorize the SAP to provide a copy of the SAP's recommendation to the District.
4. The employee may return to driving duties only when the SAP concludes that the Employee is in compliance with the SAP's treatment recommendations, if any, and the Employee has tested negative for alcohol and/or drugs, as required by the SAP.
5. The SAP will closely monitor the Employee's compliance with the SAP's recommendations. Failure of the Employee to adhere to the program of treatment

recommended by the SAP will subject the Employee to disciplinary action by the District, up to and including discharge.

6. The Employee, the District and ACE mutually agree that the Employee's continuation of employment for the next twelve (12) months or during the term of any recommended treatment, should it extend beyond twelve (12) months, is contingent upon the Employee's satisfactorily meeting all the terms outlined in this Agreement, and that failure to do so may subject the Employee to immediate discipline up to and including discharge.

7. During the twelve (12) month period or such period of rehabilitation treatment as outlined by the SAP, should it be longer, the District will test the Employee for alcohol and/or drug use, as directed by the SAP, on an unannounced basis. There shall be no more than six (6) such unannounced tests for alcohol during this period, unless the SAP specifically recommends a higher number. Unannounced tests for drugs shall not exceed four (4) such unannounced tests during this twelve (12) month period. However, such unannounced tests are in addition to any tests that may be necessitated on a reasonable suspicion or random basis as part of the District's Substance Abuse Program or any tests performed by the treatment center as part of its program to monitor compliance with its treatment program. The employee will be subject to disciplinary action up to and including discharge if the Employee refuses to submit to testing or if the Employee tests positive for drugs or alcohol during this period.

8. If the Employee successfully completes treatment, and has no positive drug and/or alcohol tests within twelve (12) months, the initial positive test shall not be used in any future discipline or personnel action unless it relates to substance abuse.

At the District's discretion, the Employee understands that if the Employee does not meet the above terms of the Agreement, in lieu of discipline and/or termination, the District may require the Employee to submit to in-patient care for rehabilitation and to agree to renewal of this Agreement for an additional twelve (12) month period thereafter.

This Agreement is voluntarily entered into by all parties in consideration for continuation of the Employee's employment with the District.

APPENDIX II
Volunteer Coaching

Bargaining unit members who perform coaching duties are acting in a volunteer capacity and will receive no compensation or other remuneration for their services except for a nominal stipend as provided for under the FLSA. It is acknowledged that employees are offering their services freely and without coercion, and are not otherwise employed by the District to perform the same services as those for which they propose to volunteer.

This section of the contract may be reviewed and modified upon mutual agreement of the Union and the District.

VOLUNTEER COACHING STIPEND AGREEMENT
_____ SCHOOL YEAR

I, _____(printed name), of my own free will, volunteer my time and service to participate as a coach for _____(sport) at _____(school location). My time and service in this volunteer capacity are given without promise, expectation or receipt of any compensation, benefits or other remuneration for this service except for a nominal stipend of \$_____. I have estimated that approximately _____ total hours will be voluntarily contributed to this activity. I understand and agree that no additional stipend amount shall be paid in the event my total number of hours exceeds the estimate.

The parties' intent is that I be considered a volunteer and that hours devoted to volunteering are not considered hours worked for the purpose of overtime under applicable wage and hour law. I understand and acknowledge that the stipend payment is intended to be a "nominal fee" under the Fair Labor Standards Act, does not represent wages for work performed, and is consistent with my role as a volunteer.

I understand and agree that my volunteer participation is not being performed in the course and scope of my regular employment for the district, and that my participation in this activity is not in any way required by the district. I acknowledge and agree that my volunteer services do not involve the same or similar types of services I perform as an employee. I further acknowledge and agree that my volunteer services are not closely related to my duties and responsibilities as an employee.

I understand that my participation as a volunteer may be terminated at any time, without cause, and I may withdraw from participation at any time for any reason, and that my withdrawal will not affect my continued regular position with the district.

I understand this agreement was negotiated and approved on my behalf by a Memorandum of Agreement between the District and my Union.

This agreement will continue in force until the activity concludes or the agreement is otherwise terminated.
